STAT

Your Form 171 was recently forwarded to this Agency with the indication that your interest in employment with us continues.

I have forwarded your application to the appropriate officials, who will review your qualifications in light of our current needs. We will be in touch with you further as soon as our review has been completed. I should advise you, however, that our employment situation has not changed to any great extent since you were interviewed in July of 1974. Our hiring remains extremely limited due to continuing reductions in our manpower ceiling.

We appreciate your interest, and you may be sure that you will receive every consideration.

Sincerely,

(Signed) F. W. M. Janney
